## MTG Hawke's Bay

### Painting Kowhaiwhai Patterns

Tues 2nd, 10am - 12pm

Age 7+

Cost : \$15

View kowhaiwhai patterns and learn of their meaning and significance. Invent your own special design to work on during the session and take away for decorating. This programme involves painting so please wear old clothes. Tutor: Roseanne Brown

### Printmaking for Beginners

Thurs 4th, 10am - 12pm

Age 7+

Cost: \$15

Learn a simple printmaking technique to print on to a carry bag (provided) using the museum's exhibitions for inspiration with experienced printer and tutor. This session could get a little messy so please wear old clothes. Tutor: Lisa Feyen

## Stop Motion Animation & Virtual Reality

Tues 9th, 10am - 12pm

Age 9+

Cost: \$20

Think you could create the next Boxtrolls or Wallace and Gromit? This 'hands-on' session will get you started! Discover the magic of Stop Motion Animation and Virtual Reality.

Learn how to make the models, create storyboards, animate and edit your own short film. This beginner's workshop will introduce you to the techniques of Stop Motion and how to make short experimental films using our Stop Motion capture software. Virtual Reality (VR) makes it possible to experience anything, anywhere, any time.

It is the most immersive type of reality technology and in this session you'll take part in a virtual game called Beat Saber, a rhythm game where the goal is to slash the beats which perfectly fit into precisely handcrafted music. Please bring your own USB stick. Tutors: Steve Brock/Gaynor Comley

## Plastic Fantastic: Upcycle Bottles into Artwork

Thurs 11th, 10am - 12pm

Age 5+

Cost: \$10

Turn your used plastic bottles into creative projects after seeing George Nuku's exhibition for inspiration. Students need to bring two plastic bottles and can choose to make a sea creature, make a bird feeder or make a pencil jar. Tutors: Gaynor Comley/Jenny Wake

Admission to the Museum is Free.
