CAN - Creative Arts Napier

CAN TOWN

DATE: Friday 11 January until Friday 1 February.

COST: Just \$5 donation per visit, per child.

Materials are included.

CAN TOWN is a sprawling, interactive miniature cityscape that we invite parents/caregivers and kids of all ages to participate in creating!

Put away your devices and use your imaginations to plan, create and get messy, dig in to the materials provided and construct either a miniature scene for the inside of a shoebox to add to the apartment complex, or build your own zoo, hospital, or school!

If that doesn't float your bulldozer, draw in the roads and landscape around the buildings! Whether you are a budding town planner or an interior designer in the making, this activity is bound to captivate you.

Parents and caregivers are requested to stay and supervise their children, and join in the fun!

(We recommend allowing at least an hour for this activity so come before 3pm Monday-Saturday or before 1pm on Sundays to make the most of it!)

Painting Workshop for 11-14 year olds
